PR60G & PR60GT - This unit is gas fired. A 30 lb. tank will do approximately 15 hours of cooking at a temperature of about 300 degrees.

Meadow Creek Welding uses only food grade T-304 stainless steel in the fabrication of parts identified as "stainless steel" that will contact food under normal use. This includes, but is not limited to: Grates, racks, shelving, work surfaces and complete units constructed primarily of stainless steel and sold using that description.
